PHOTOGRAPHIC INTERESTS

One of the important benefits of SLO Camera Club membership is sharing our knowledge. Our members have a reputation for teaching each other about photography. The SLO Camera Club brings us together to share our common interests, to share our talents, to learn new skills, and to participate in workshops and outings in areas of mutual interest. To help us more effectively plan our Club activities, we would appreciate knowing which of the following items are of particular interest to you. Please feel free to share your ideas and suggestions for topics you'd like to learn, outings you'd like to attend, and programs you'd like to see or are willing to present.
