## Next Meeting

**Thursday November 11 - 7 p.m.**  
**MAIN PROGRAM**

Random Samplings by Jenn Lawrence. Jenn's had an interest in all things creative since she was a child. It wasn't until digital that she truly started embracing the art of photography. She's a techno-geek at heart and although she loves the gritty cool mystery of the dark room, the digital world opened up a level of freedom of expression, control and instant gratification not found with film. Not prone to one style or subject, this show features photos of anything and nothing, straight up and totally tweaked!

**Field Trip Show:** Jon Lomax will present images from the September 19 Macro Workshop. Slide of the month from last month's show went to Alice Cahill.

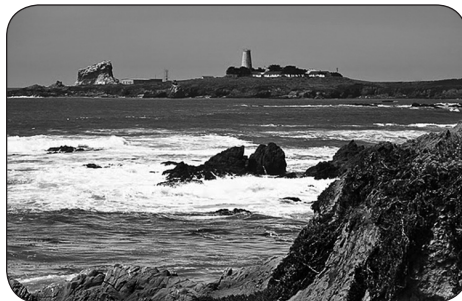

**Show and Tell:** The challenge for November, should you wish to accept it, is "Me, Myself and I." Members may bring 3 images on any topic to share.

## Next Field Trip

**November 13 - 2:15 p.m.**

### Piedras Blancas Light Station

We will have the station to ourselves, thanks to Malcolm Carlaw, and will be able to stay through sunset. We meet at old Piedras Blancas Motel 1.5 miles north of the lighthouse. Dinner will be at El Chorlito in San Simeon. There currently are 35 members signed up, past the limit the docents would prefer. If anyone doesn't plan to attend, please let Malcolm know.

**Competition October 21:** The judges were three of our members: Karen Peterson, Carol DiNolfo and Jenn Lawrence. Nines were won by Jenn Lawrence and Heather Craig. Twelve members received 8.5s and 13 received 8s. High scorers for the night were Jenn Lawrence, Mimi Ditchie and James Crawford with just over 25 points each.

**Morro Photo Expo Show:** Please bring or send images to Malcolm Carlaw at [malcolm.carlaw@yahoo.com](mailto:malcolm.carlaw@yahoo.com).

### Showcase Competition:
