

San Luis Obispo Camera Club COURIER FACT SHEET January 2011

Photo courtesy of Lynda Roeller

Next Meeting
Thursday January 13 - 7 p.m.
MAIN PROGRAM

A Marriage of Images by Lynda Roeller. Documenting ones special day with no retakes created anxiety in Lynda for her first wedding shoot, that of a friend of her daughter. Since then she has shot over 30 weddings and says after the first click, she becomes swept away by the emotions of the day. On several occasions she's had a second, back-up photographer which reduces the pressure and frees both to follow their creativity. Then the editing begins. This show includes photos from all covered weddings.

Field Trip Show: Malcolm Carlaw will present images from the October 22-24 Morro Bay Expo, an event well attended by members of the club. Image of the month in November from the Macro Workshop went to Dagmar Collins.

Show and Tell: The challenge for January, should you wish to accept it, is "It's about time." Members may bring 3 images on any topic to share.

The Annual Club Competition was held on December 16. Judge Dale Reid awarded the image of the year to Alice Cahill and runner up to Renée Besta. The annual awards for High Scores as well as Members' Choice awards will be announced and presented at the January 13 meeting.

Group Exhibit of Montana de Oro Images will be at The Photo Shop in San Luis Obispo. Alice Cahill and Dave Coronel are both showing. The reception is on January 7 from 6 to 8 p.m. and the show will continue through January 15. A percentage of the sales will benefit California State Parks.

Cambria Art and Wine Festival Lynda Roeller and Josh Kimball will be on site displaying their work at the Harmony Cellars Winery on January 29 in conjunction with the festival. For more information, call 927-1625 or go to www.seecambria.com/art/wine.

Next Field Trip **Saturday, January 29**

Exploring Cambria Pines by the Sea: Tide Pools, Seascapes and Small Town Charm

Meet at the Museum of Natural History in Morro Bay at 10 a.m. for a workshop with our own biologist, Jerry Kirkhart or alternatively for non-tide poolers at the Main Street Grill in Cambria at 11:45 a.m.

Tide pooling will begin at 1 p.m. Wear warm clothes in layers and non-skid shoes. A release from responsibility form will be distributed. Macro lens and flash are recommended, but not necessary. Images will be assembled by Mimi Ditchie for showing at the March meeting.
